## Heartfelt Thoughts

Welcome to the Merry Month of May. An exciting time for our soon to be graduates. There will be lots of singing and preparing for their special event and a performance in June. We are focusing on reflecting back through the memories they've made here and the friendships that fill their hearts with joy. You'll hear lots of chatter about our summer programs at Precious Memories Place. We are filled with choice and opportunity for the many needs of our families.

## Soaring and Exploring Revolutionary Academics

This month we are examining bugs, insects and also hatching some painted lady butterflies. We will travel to Brazil to explore the wildlife, bugs and rainforest.

## "If you dream it, you can do it!" Graduation Agenda: Tuesday, June 10th

Such an amazing celebration lies ahead. There is growth from one academic, cognitive and emotional stage on to the next. The experience of graduation itself is one of learning and memory making for these incredible children. The evening's events will begin at 6:30pm on Tuesday, June 10th outside at Precious Memories Place. Watch for your special invitation and prepare for a magical experience.

## Summer with PMP

- Camp PMP, held at Precious Memories Place, for children ages 2-5 is a camp that expands our school year curriculum into 3 months of continuous learning. Our focus is a "hands on," "up close" experience to the world we live in. *It's the ease of the summer enhanced with inquiring minds.*
- Neighbors and Nature Camp, held at DPNC Coogan Farm, for the children entering Kindergarten through age 12. There is hiking, fort making, learning about reptiles, arts and crafts, outdoor survival skills and much more. Nature based fun in the sun!

"When the sun is shining I can do anything; no mountain is too high, no trouble is too difficult to overcome." Wilma Rudolph
