**June 20, Friday:** PJ Day

**June 20, Friday:** Parents Night Out: "Drive In"

### Heartfelt Thoughts

It's time to say hello to summer and longer days. June is filled with singing and preparing for our Pre-Kindergarten graduation celebration. Through our Global Trotters Program our preschoolers will be traveling to Australia. Our main focus will be learning about habitats. The children learn so much through our travel program. It ignites a child's sense of curiosity, imagination and adventure.

### Summer with PMP

Camp PMP is held at Precious Memories Place for children ages 3-5. It is a camp that expands our school year curriculum into 3 months of continuous learning and play. Our focus is a hands on, up close experience to the world we live in. It's the ease of the summer enhanced with inquiring minds.

Neighbors and Nature Camp is held at DPNC Coogan farm for the children entering Kindergarten through age 12. There is hiking, fort making, learning about reptiles, arts and crafts, outdoor survival skills and much more. Nature based fun in the sun!

### Happy Father's Day

to all our Dads and special care givers. You are amazing role models in action. Take this opportunity to reflect on the important people in your lives and celebrate and share your love and gratitude with them.

### Soaring and Exploring Revolutionary Academics

This month is researching science and weather. We will explore around what a meteorologist is and does. Our classes will have fun with clouds and science crafts while making storm jars and sun catchers.

### Spirit Week 6/16-6/20

Monday: Disney Day  
Tuesday: Rainbow Day  
Wednesday: Sports Day  
Thursday: Center is Closed  
Friday: PJ Day

The best way to predict the future is to create it.
